## UNDER THE STARS AND STRIPES FLAG

High on the world did our fathers of old,  
Under the stars and stripes,  
Blazon the name that we now must uphold,  
Under the stars and stripes,  
Vast in the past they have builded an arch  
Over which Freedom has lighted her torch,  
Follow it! Follow it! Come, let us march  
Under the stars and stripes.

We in whose bodies the blood of them runs,  
Under the stars and stripes,  
We will acquit us as sons of their sons,  
Under the stars and stripes.  
Ever for justice, our heel upon wrong,  
We in the light of our vengeance thrice strong!  
Rally together! Come tramping along  
Under the stars and stripes.

Out of our strength and a nation's great need,  
Under the stars and stripes,  
Heroes again as of old we shall breed,  
Under the stars and stripes.  
Broad to the winds be our banner unfurled!  
Straight in Spain's face let defiance be hurled!  
God on our side, we will battle the world  
Under the stars and stripes

—By Madison Cawein.

---

To the Members of Thorne's  
Corner Grange:

The office of Lecturer is one of the most important within the gift of the Grange, for it is through that office that all of the educational and social work of the order is carried out. But no Lecturer, however competent, can carry on the work of her office without the support of the other members of the Grange.

Your co-operation is needed and requested. Your attendance at all meetings is requested and promptness on your part is desirable.

Fraternally,

MAUDE M. MOREY,  
Lecturer.

Any members not able to take the part assigned on the program will please give sufficient notice to the Lecturer.

A little less impatient with those we deem too slow;  
A little less of arrogance because of all we know;  
A little more humility, seeing our worth is slight;  
We are such trivial candles compared to stars at night.  
A little more forgiving and swifter to be kind;  
A little more desirous the word of praise to find;  
The word of praise to utter and make a great rejoice!  
A little bit more careful to speak with gentle voice.  
A little more eagerness to understand each other,  
A little more real striving to help a shipwrecked  
brother.  
A little more higher courage to each task that must  
be done.  
These are our resolutions and God help everyone!
